Padre Victory Knocks Giants Out of Second

Combining the hurling of Jimmy Simpson and Don Shockley with the three for three hitting of Wayne Larson, the Torrance American nine to its knees, 3 to 1, to breeze into the District 27 playoffs against Pacific Coast.

Bynum, in complete control except for the fifth inning, burned a third strike past 16 men and gave but two batters a free ticket to first base.

In the fifth frame, Torrance American loaded the bases on two walks and a single before Bynum tightened up. The next batter grounded to short, who forced the runner at home. Bynum whiffed the next two men to face him to end the crisis.

Mark Intermill and Mickey Fornelli backed up Bynum's hurling with a fine display of batting and running.

Intermill started things off for the Nationals in the second inning by singling to left. He reached second on a passed ball before Mike Thomas smacked a single to drive him in with the initial run.

In the third, Fornelli kissed a towering home run over the left field fence to make the score 2 to 0.

A walk to Intermill cost Torrance American another run in the fourth frame. Intermill took second on a passed ball and Tom Hartley singled him home with the game's final tally.

FIGHT FOR CONTROL... CJA stock car drivers at Western Speedway battle for control of their autos in an attempt to get back into the thick of the race. The stock cars are scheduled to go this afternoon at Western.

Fifty Stock Car Pilots Go Tonight at Western

They will both be shooting for the \$1000 winners purse, the biggest amount of the year for the Stock Car pilots.

New Ski Statutes Will Be Tested In Title Go

The seventh World Water Ski championships at Long Beach's Marine Stadium Aug. 24-27 will test a series of new international water ski statutes.

Designed to establish a degree of uniformity between United States and European standards, the new laws represent a significant change in the fast-growing sport. The rules range from a change in the maximum speed to a different scoring system.

Long Beach's Marine Stadium, site of the 1932 Olympic rowing championships, will regain its international flavor when it hosts the 33-nation event. An estimated 40,000 spectators will watch the outstanding skiers from every continent compete in the "Olympics of Water Skiing."

Slalom, jumping and trick competition will be held in men's and women's divisions with the defending world's champions competing in all divisions. Special pageantry exhibitions will be held throughout the competition.

Coast, Nationals Vie For District Crown

Bynum Hurls Shutout Win On 3 Hitter

Billy Bynum hurled a sizzling three hit shutout as the Torrance National Little League All Stars brought a powerful Torrance American nine to its knees, 3 to 1, to breeze into the District 27 playoffs against Pacific Coast.

Bynum, in complete control except for the fifth inning, burned a third strike past 16 men and gave but two batters a free ticket to first base.

In the fifth frame, Torrance American loaded the bases on two walks and a single before Bynum tightened up. The next batter grounded to short, who forced the runner at home. Bynum whiffed the next two men to face him to end the crisis.

Mark Intermill and Mickey Fornelli backed up Bynum's hurling with a fine display of batting and running.

Intermill started things off for the Nationals in the second inning by singling to left. He reached second on a passed ball before Mike Thomas smacked a single to drive him in with the initial run.

In the third, Fornelli kissed a towering home run over the left field fence to make the score 2 to 0.

A walk to Intermill cost Torrance American another run in the fourth frame. Intermill took second on a passed ball and Tom Hartley singled him home with the game's final tally.

Grosch Blast Boosts Coast Into Playoffs

Waiting until the last possible moment to do so, scrappy Pacific Coast Little League first sacker David Grosch parked a home run over the left field fence to pull his club into a 1 to 1 tie with North Torrance East and force the contest into extra innings and an eventual 3 to 1 victory for Pacific.

In the bottom of the sixth inning with two out and two strikes on him, the chance to compete in the District 27 playoffs of finals hanging in the balance, and NTE needing only one more strike to take the game, the nevertheless Grosch made the biggest hit of his life.

Given the opportunity, Chuck Fernandez and Craig Morton blasted in two more runs for PCLL in the seventh frame to send their team to the playoff finals against Torrance National.

North scored in the first inning off winning chucker Steve Hertzog, but were unable to solve the change-up artist's offerings after that. Hertzog limited Torrance East to four scattered hits.

PCLL 000 001 2-3 5 0
North 100 000 0-1 4 0
Hertzog and Moore: Heald, Wedel (6) and Wennstrom.

Kiwanis Clubs Schedule Annual Crippled Children's Benefit Tilt

Treatment until complete rehabilitation is achieved, regardless of time required, is the policy of the Kiwanis Crippled Children Foundation, which will hold its 22nd annual benefit baseball game Monday evening, Aug. 14, at the Coliseum.

This year's Kiwanis Crippled Children Game will feature the Los Angeles Dodgers and St. Louis Cardinals in a regular National League contest. Members of some 200 Kiwanis clubs throughout Southern California are now selling choice box and reserved seat tickets.

While Kiwanis clubs are concerned with the treatment of needy youngsters, one of their chief goals is to aid those serious and lengthy cases not covered partially or wholly by

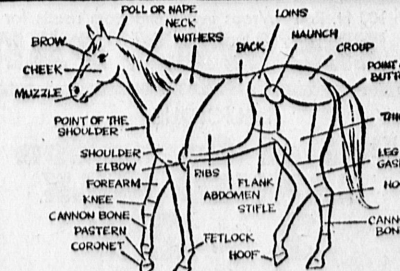

other organizations. Aid is continued in all cases until complete rehabilitation is reached. Some youngsters have received regular care and treatment for more than 10 years.

Foundation president Newt Small points out that aid is offered regardless of race, color or creed. All Kiwanis patients are treated by private physicians in their own offices and are cared for exactly the same as paying patients.

During recent years, the annual game has provided enough funds for Kiwanis to aid some 200 needy youngsters each year. Kiwanis benefits only from Kiwanis sold tickets. More than \$600,000 has been raised through this annual Kiwanis Crippled Children Baseball Game.

OFF AND RUNNING by John I. Day

...But Some Run Faster

From time to time disgruntled racing fans have probably said certain horsemen "didn't know one end of a horse from another." If they had said "one side of the horse from the other" they might have been right. A guide issued by the Registration Office of the Jockey Club asks horsemen and breeders to use the words "left" and "right" instead of "near" and "off" in describing leg markings for registration. How even veteran horsemen could be confused is easier to understand when you consider that in a horse's foreleg the elbow is above the knee. The guide goes on to define certain facial markings: a white spot between the eyes is a Star; between the nostrils it's called a Snip. White extending down

the face to just above the nostrils is a Stripe; if exaggerated, it's a Blaze. A bald face is a white face which includes the eyes and nostrils, or a portion thereof. Thoroughbreds come in all sizes and shapes and, as John E. Madden, eleven years (1918-27) America's leading breeder, added "but some run faster than others." They also come in seven colors, but roughly 90 per cent are either bay, chestnut or brown, the other 10 per cent being black, gray, roan or dun. Colors, too, can be confusing. Some foals appear to be black when born but turn out to be gray. Carry Back is a brown but appears to be black. Breeders filling out registration papers are sometimes an apologetic hue.

Torrance Grad Named Idaho Basketball Coach

Dick Carrow, a graduate of Torrance High School, has been appointed head basketball and track coach and assistant professor of health and physical education at the College of Idaho, effective Aug. 1.

Carrow graduated from the College of Idaho in 1954, and went to Fruitland, Idaho High School for three years where he served as head basketball and track coach and assistant football coach. His season basketball records at Fruitland were 11-10, 17-9 and 19-7.

He then moved to Caldwell High in Idaho for one year where he guided the CHS basketball squad to a Big Six championship. His overall record that season was 18-6.

Carrow has his master's degree from the University of

Southern California and has done additional graduate work at the University of Nevada and the University of Oregon.

Carrow then went to Borah where he served as assistant track and assistant football coach as well as head of the basketball program. His first year at Borah he compiled an 8-16 slate followed by a 14-10 year and a 14-9 season.

In making the announcement of Carrow's appointment, College of Idaho president Tom E. Shearer said, "We are pleased to have Dick Carrow as a member of our faculty and coaching staff. We have watched with interest his growth in

the coaching field and are happy to welcome him back to the campus."

Giants Take Knothole Title In Playoff

Compiling an 18-4 slate, the Giants captured the Redondo Knothole Pony League crown the past season, winning both halves of the season in the process.

The Giants won the first half with a 9-1 record and tied with the Phillies for the second half title with a 8-3 slate. The Giants beat the Phils, 6 to 4, in a playoff game.

Comprising the Giant squad were: Dane LaRoche, Gary Arneson, Dick King, Daniel Branch, Fred Moseley, Phil D'Addario, Tim Speaks, Bill Brown, Bill Farrell, Chuck Jones, Dane Taylor, Tony Masciola, Barney Butterfield.

Closing day for the whole league will be next Sunday at 12:30 p.m. at the Knothole field where trophies will be presented to the All-Stars and championship teams.

No Hit Gem By McGee Routs Tabs

Maintaining a firm hold on first place in the Girls' Softball League, the Chargers clobbered the Tabs 7 to 1 at Watteria Park Tuesday night.

Gaynell McGee joined a select group by pitching a no hit game. She would have had a perfect game except for three errors committed by teammates, which allowed one run to score. She had 10 strikeouts.

The losing pitcher was Karen Hellyer.

In another game played at Watteria Park the Esabs handed the Debs their second straight loss, 10 to 2. The Esabs collected ten hits including a single and a double by the left fielder, Mildred Dreyer. However, the leading hitter for both teams was Barbara Alexander, the third baseman for the Debs. Barbara had three straight single in three official times at bat.

The winning pitcher was Nancy Owen and Diane Ijames received the loss.

In other games played during the week, the Debs defeated the Rookies 7-0, and the Esabs completely dominated the Spartettes, 31 to 0.
